OVER 200 YEARS NUMBER ONE ON RHINE, MAIN AND MOSELLE

In 2026 KD celebrated a very special anniversary and looks back on a unique history. For more than 200 years, KD has shaped the Rhine Valley and the people who have always come to the Rhine from all over the world. KD is still the only shipping company to sail the entire UNESCO World Heritage Upper Middle Rhine Valley several times a day, combining landscape and cultural experiences with enjoyment and relaxation in a very special way. What began 200 years ago is today one of the most beautiful ways to experience the Rhine and its cultural landscape.

Discover the mystical charm of the region and showcase its diversity to your guests, with more than 20 castles and palaces, romantic wine towns and, of course, the legendary Loreley. Please see our special value packages on page 6. All meals on board are freshly prepared with ingredients sourced from the region, offering excellent quality at a fair price.

Whether on deck of the nostalgic paddle steamer GOETHE or on the impressive KD Event Fleet – on board KD your guests can daily

enjoy the beautiful Rhine Valley from a prime seat and at the same time receive information about the most important sights along the route in both German and English.

Thanks to a reliable timetable, we offer you countless combination possibilities to present your guests with the highlights of Europe’s oldest cultural landscape.

The well-being and safety of our guests have always been our top priority. With a comprehensive range of services and over 200 years of experience and quality on the Rhine, Main and Moselle, KD is your strong and trusted partner – take advantage of these benefits for yourself and your customers:

THIS IS HOW IT WORKS

For an upstream journey find your point of departure in the left-hand, vertical column and your destination in the horizontal column (e.g. St. Goar – Bingen). For a downstream journey find the departure point in the horizontal column and the destination in the vertical column (e.g. Bingen – St. Goar). The letter in the box where the columns intersect (in our example G) represents the pricing zone, which can be checked in the price table on the right to find the applicable fare.

For comparison we have included in the price list the official public fares. The difference represents your commission. Please also take note of our booking information on page 15.

RATES

The listed tour operator prices are net and include statutory VAT. The prices are exclusively applicable for the calculation of package tours. Depending on the development of crude oil prices, we reserve the right to charge a route-dependent fuel surcharge.

SURCHARGE

Bicycle Transport and Bicycle Trailers

For the transport of bicycles on board the KD ships, we charge a surcharge of 3.50 euros per bicycle per day. A bicycle trailer will be charged additionally at 3.50 euros.

THE VALLEY OF THE LORELEY

Nowhere else will you find as many medieval castles as along the stretch of the Rhine between Koblenz and Rüdesheim. This unique Upper Middle Rhine Valley has therefore been a UNESCO World Heritage Site since 2002. Perched above steep vineyards, castles overlook the Rhine, while historic towns and villages invite you to explore. At the heart of it all rises the legendary Loreley.

In the heart of this fascinating cultural landscape, we offer up to four cruises a day from Boppard to the Loreley, as well as up to four cruises a day from Rüdesheim to the world-famous rock. Your guests experience the breathtaking diversity of the Upper Middle Rhine Valley from a truly unique perspective, enjoying ever-changing views of castles, vineyards and picturesque riverside towns. The cruise itself becomes an unforgettable experience – varied, relaxing and easy to integrate into your travel programmes.

For those looking for a shorter round trip from Rüdesheim, we recommend the charming wine town of Bacharach.
